PLATE SET Product features

A lovely design in the shape of a water droplet

Easy to carry

The Snack Plate is a smartly designed plastic plate with a unique, easy-to-carry opening for your thumb. Grip the plate by placing your thumb in the opening and placing your index finger on the underside of the Snack Plate for a more stable grip.

Ergonomic design

Designed for right and left-handed users alike. Unlike typical picnic plates, this Snack Plate has been specifically designed to prevent spills. Also, with its stable grip design, you're less likely to drop the plate and your food.

Colorful

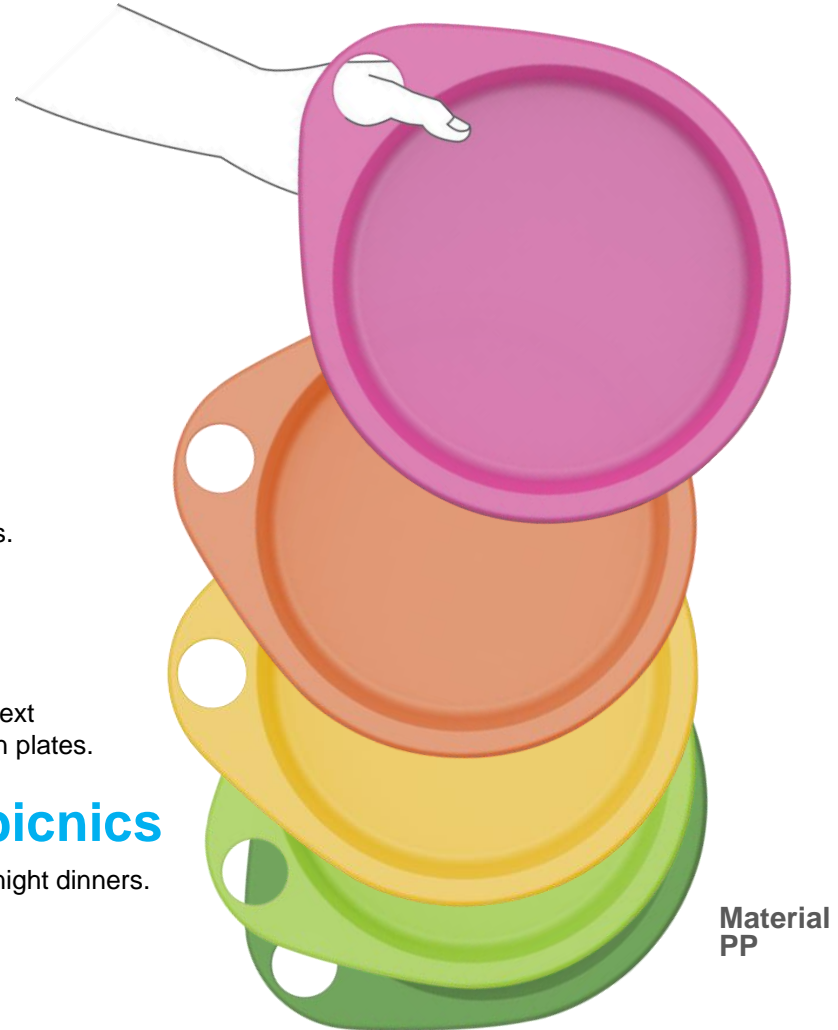

The Snack Palette comes in a variety of recognizable colors for your next tailgate party so that your guests will be able to easily identify their own plates.

Lightweight and ideal for travel/picnics

Lightweight and durable - ideal for picnics, BBQs, camping, and weeknight dinners.

Stackable

Compact, space-saving design.
